Community Reviews. Not an academic work, A Provocative People is a good survey of a history of the Jews by a brilliant author. It is but an appetizer for more history reading and research. To that end, the book serves as a wonderful outline. I of thought it was a very good book. It kept my interest all the way through.

### **A Provocative People: A Secular History of the Jews by**

Just like a computer hacker writes a virus and releases it to spread across the internet, this perverse person creates strifeâ€”bitter disagreementâ€”and seeds it into his relationships. He may do this through slander, through gossip, and through backbiting, always with the design of turning other people against his victim.
