In order to advance this core value, ASHRM is providing guidance for defining and measuring preventable harm events through a series of white papers on serious safety events (SSEs). SSEs, sometimes called â€œcritical events,â€• cause harm to patients, families, significant others and the providers involved in the event.

Serious Safety Events: Getting to Zero

Elements to Include in the Discussion State the Major Findings of the Study The discussion should begin with a statement of the major findings of the study. This should be the very first paragraph in the discussion. It should be a direct, declar- ative, and succinct proclamation of the study results.

How to Write an Effective Discussion

This is not "serious AskReddit". SRSDiscussion is a moderated space for discussing social justice issues. Our goal is to foster a welcoming space for discussion, education, and respectful debate. If you do not, at minimum, understand and agree with basic feminist tenets and the concept of intersectionality, SRSDiscussion is not the sub for you.
