1. Early Developments 3 The origins of war crimes can be found in the traditional laws of war, today called international humanitarian law; these laws regulate the conduct of armed conflicts whose rules were derived from international conventions and customary international law. The evolution of war crimes is part of the progressive development and codification of international humanitarian ...

>Let’s say 200,000 “foreigners” (from where, by the way?) and 73 million gun owners. I imagine you could get millions, tens of millions, of young men willing to do violence if you promise them free looting in the US and sorta-kindly imply that they could stay and live in the US afterwards, even if it should be obvious

to them that the US afterwards wouldn't be what they imagine it to be.
