A motor vehicle service or tune-up is a series of maintenance procedures carried out at a set time interval or after the vehicle has travelled a certain distance. The service intervals are specified by the vehicle manufacturer in a service schedule and some modern cars display the due date for the next service electronically on the instrument panel.

Service (motor vehicle) - Wikipedia

Tough new penalties for distracted driving Increased penalties “ including automatic driver’s licence suspensions “ are now in place for using a hand-operated electronic device for any reason while driving.
