Symbiosis Centre For Distance Learning | Distance

Finance is a field that is concerned with the allocation of assets and liabilities over space and time, often under conditions of risk or uncertainty. Finance can also be defined as the art of money management. Participants in the market aim to price assets based on their risk level, fundamental value, and their expected rate of return. Finance can be split into three sub-categories: public ...

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...
